

# Biannual newsletter from the GEMS/Water Capacity Development Centre

- Created by [Anham Salyani](#) on Jan 23, 2020, last modified by [Anham Salyani](#) on Jan 28, 2020

Over the last six months, GEMS/Water Capacity Development Centre (CDC) has implemented a number of successful activities, such as face-to-face training workshops, meetings and continued its various online courses. For more details, please take a look at the latest newsletter from our colleagues in Cork, Ireland.
